

PLUS Poster/Flyer Order Form

Researchers at the University of Washington are developing the Prosthetic Limb Users Survey (PLUS), a **free tool** to help clinicians and researchers measure prosthetic mobility.

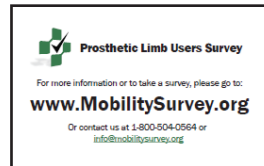

Would you like to let your patients know about the study? We provide free materials you can use to help inform your patients. Please email the order form below to us at info@mobilitysurvey.org or call us at 1-800-504-0564.
