

UW Caregiver Stress Scale 10-Item Short Form V. 1.0 ©

**Instructions:** Please choose the response that best describes how you **usually** feel about caregiving. By **caregiving** we mean all aspects of taking care of a child or children under 18 years -- that is providing help and support (typically unpaid and typically by a parent or guardian) for their physical, psychological, or developmental needs. When choosing your answers consider how having a child or children you take care of affects all areas of your life.
